November 27, 28, 2021

The idea of holding the Contest was due to drawing attention to the name of Helena Petrovna Blavatsky and The Secret Doctrine of representatives of the art sphere.

This year, for the first time, children's works are presented in such quantity that we had to organize a separate exhibition and it was called "THE CHILDREN OF BLAVATSKY - I dedicate". From different parts of the world, children sent their paintings and dedicated them to our great compatriot, who made an invaluable contribution to the development of world science and culture, H.P. Blavatsky. The geography of the art Competition is extensive

18 countries of the world, 82 cities of the Russian Federation – more than 160 participants, and more than 250 paintings were submitted to the Art Competition. The 1st round of inclusion in the electronic version of the Art Exhibition was attended by 79 adult artists, and 53 children's works. 28 participants of adults and 28 participants of children reached the final, and from their paintings, which were printed using special technology and decorated in a single design, an International Art Exhibition dedicated to the HPB has already been formed, And it was from those who reached the final that the Competition Commission selected the winners.

We thank all the authors of the paintings, artists from the Ukraine, India, Kazakhstan, Poland, France, Romania, Zambia, Moldova, Australia, USA, Belarus, East Africa, Armenia, South Africa, Indonesia from the Russian Federation have pleased us with their works
