Dear Alexander Sergeyevich!

Your request for informational support in implementing the socially significant project “White Jaguars,” aimed at developing the creative potential of children and the moral and patriotic education of the younger generation, has been reviewed.

Information about the opportunity to participate in this project has been communicated to the heads of institutions subordinate to the Moscow City Department of Culture.

Thank you for contacting us. We wish you continued success in implementing socially significant initiatives and creative projects.

Deputy Head

M. S. Demidenko
