President of the Foundation for the
Promotion of Socially Significant and
Educational Activities "Theosophy"

to A.S. KULESHOV

Dear Alexander Sergeevich!

Having familiarized itself with the White Jaguars project (hereinafter referred to as the Project), planned for implementation by the Theosophy Foundation for the Promotion of Socially Significant and Educational Activities, the autonomous non-profit organization Tavrída.Art notes its high social and cultural significance.

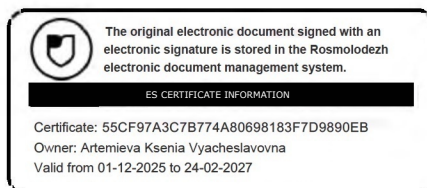

The Project is aimed at developing the creative potential of children and the moral and patriotic education of the younger generation. As a result of the Project, a unique interactive platform will be created to support and develop children's creativity, shape spiritual and moral values, and promote patriotic education.

In connection with the above, we confirm our readiness to provide informational support, namely: to post at least three publications on the official accounts of the Tavrída art cluster on social networks (VKontakte, Odnoklassniki) and the Telegram messenger.

Contact person: Gulnara Zabelova, Head of the Educational Technologies Department at ANO Tavrída. Art, tel.: +7 (928) 712-96-95, email: zliabelova@tavrida.art.

Sincerely,

Chief Executive Officer
